

## NAVONA

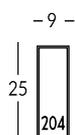

Linea di segnaletica per interni realizzata sovrapponendo tre strati di materiale. Primo strato di base: plexiglass 3 mm nero o bianco. Secondo strato in alluminio: lavorato con finitura in acciaio satinato o ottone satinato. Terzo strato: caratteri in plexiglass 3 mm nero o bianco ritagliati e applicati sul secondo strato. Possibilità di scegliere il font. Fissaggio a muro con nastro biadesivo. Testi e dimensioni personalizzabili in base alle esigenze.
